

VERSAILLES - LE POTAGER DU ROI

A photograph of a traditional orchard with espaliered trees in bloom, viewed from a dirt path leading to a white gate. The trees are trained along a trellis system, and the path is made of dirt and gravel. In the background, there is a white gate and a line of trees under a clear sky.

A scenic view of a vineyard in the foreground, with rows of grapevines trained on trellises. The vines are covered in small white flowers. In the background, a large, ornate cathedral with a prominent dome and spire stands against a cloudy sky. To the right of the cathedral, there are several multi-story buildings with many windows. A green banner with white text is overlaid on the middle of the image.
